Citizens of other EU or EEA countries or other countries with which the EU has an agreement can apply for authorisation to pursue the profession of chimney sweeper in Denmark.

The application procedure depends on whether or not the profession of chimney sweeper is regulated in the applicant's home country.

Required documentation to be provided with the application (regulated profession):

- Proof of your nationality (enclose copy of passport)
- Copies of your attestations of professional competence or of the evidence of formal qualifications giving access to pursue your profession, where applicable
- Proof that you have not been found guilty within the past three years of a criminal offence which signifies an evident danger of misuse of your position or your profession, cf. section 78(2) of the Danish Penal Code (enclose copy of certificate of criminal record)
- Attestation certifying that you are of legal age, are not under guardianship and manage your own affairs

Required documentation to be provided with the application (unregulated profession):

- Proof of your nationality (enclose copy of passport)
- Copies of your attestations of professional competence or of the evidence of formal qualifications giving access to pursue your profession, where applicable
- Evidence that you have pursued the profession of chimney sweeper for two years during the previous 10 years in an EU/EEA country or another country with which the EU has entered into an agreement on the pursuit of regulated professions, where the profession of chimney sweeper is not regulated.
- Proof that you have not been found guilty within the past three years of a criminal offence which signifies an evident danger of misuse of your position or your profession, cf. section 78(2) of the Danish Penal Code (enclose copy of certificate of criminal record)
- Attestation certifying that you are of legal age, are not under guardianship and manage your own affairs
